(G) Application is hereby made to do electrical work at this location and I agree to pay Electric Inspection (EI) the appropriate amount per the current schedule of charges. As a charge customer, I agree to pay per the policies as stated in the company's credit terms or, as a cash customer, I realize that all fees must be paid prior to the issuance of any releases and the policies as stated in the company's credit terms shall apply. All work is to be installed per the current National Electrical Code and I understand that there are or will be no violations of the NEC or Kentucky statutes and regulations and EI does not determine compliance with any plans or specifications. It is my responsibility to call when the job is ready for inspection and I assume all liability for the job and any temporary releases and hereby indemnify EI for all activity associated with this job. Progress inspections do not constitute approval of an electrical installation. This permit is null and void if an inspection is not scheduled within six months from date of issue or six months from date of last inspection. I, the applicant, hereby sign and verify under penalties of law, that all of the above information is true and correct and that I am performing the electrical work at this location. Any changes to the above information shall be provided in writing.
