P.O. Box 98
Union, Kentucky 41091

In accordance with the Kentucky Building Code, Chapter 27, we hereby apply for the use of temporary electrical power for a period not to exceed ten (10) days, commencing on connection of service by the power company and/or by generator at the following location;

We will notify Electric Inspection on the date of connection and will request the power company for a disconnect at the end of the ten (10) day period or when we are no longer in need of electric service, whichever shall occur first. We agree to comply with all provisions of state statutes, county and city ordinances and the National Electrical Code.

We, the electrical contractor and applicant, assume all responsibility and liability from any damages or injuries resulting from the use of this temporary electric service and relieve Electric Inspection and their lawful agents from any responsibility or liability as a result of the use of this temporary electric. Furthermore, we agree to indemnify Electric Inspection for any loss or liability incurred from the use of this temporary electric.
